

## FAITH PERSPECTIVES ON ARTIFICIAL INTELLIGENCE

1:30 ~ 4:30pm

Hybrid – Putonghua

Moderator: Dr. Jonathan Chung

Associate Professor of Materials Science & Engineering, City University of Hong Kong

**Prof. Emeritus Ho Fung Leung** is Emeritus Professor and former Head of the Department of Computer Science and Engineering at CUHK. His research interests cover various aspects centering around artificial intelligence, including multiagent systems, game theoretic analysis, ontologies, and big data analytics. Professor Leung has authored more than 300 publications, including 5 research monographs, and 5 edited volumes.

**Prof. Emeritus Haydn Chen** is Professor Emeritus of Materials at University of Illinois at Urbana-Champaign and Chief Strategy Officer at Taiwan National Yang Ming Chiao Tung University (NYCU) where he is also Professor of Semiconductor Technology (since 2017). He also served as Chair Professor & Head of Applied Physics & Material Engineering of CityU of Hong Kong (2000-2004), President of Tunghai University (2004-2012) and Vice Rector for Student Affairs of University of Macau (2012-2017).

**Mr. Andy Heng** is General Manager & Head of Cash Products at Bank of Montreal (Guangzhou, China) where he has been serving since 2010. His 25-year international banking career also took him to Standard Chartered Bank of Hong Kong and OCBC Bank of Singapore. He has a BBA from Universiti Kebangsaan Malaysia and a MCS from Regent College.
