

## FAITH REFLECTION IN ENTREPRENEURSHIP

9:00am ~ 12:00nn

Hybrid – Cantonese & Putonghua

**Prof. Stephen Tsui** is Professor & Associate Director at CUHK School of Biomedical Sciences, Director of HK Bioinformatics Centre & Centre for Microbial Genomics & Proteomics. In 2003, his lab was one of the first in the world to decode the SARS coronavirus genome. Prof. Tsui is active in his church and serves on the board of China Graduate School of Theology.

**Mr. Lowell Lo** is founder of BM Intelligence Group that went public in 2001. A leading financial services provider in Asia Pacific, it provides corporate services to both companies and individual clients. Its head office in HK is supported by branch offices in Beijing, Shanghai and Shenzhen. In recent years, BMI has also been acquiring companies in Japan.

**Mr. Andy Tan** is Group CEO of Century Interfoods Sdn Bhd of Malaysia. He grew up in a three-generation food business family. As a serial entrepreneur, he has started 9 businesses in the last 25 years, ranging from gourmet restaurant network to international seafood distribution. Mr. Tan is a cell group leader in Gospel Hall Kuala Lumpur.

**Dr. Michael Wu** is chairman of Creative Asset Management Ltd. With extensive experience in financial investment and corporate finance, he was the former CEO of China Chengtong Asset Management (HK) and senior executive of various international banks and financial institutions. Michael is active in community service. With a DBA from HK PolyU, he is adjunct professor at CityU.

Many young people aspire to convert scientific advances into profitable business that could contribute to human flourishing. With a long career of illustrious accomplishments in biomedical research, Prof. Stephen Tsui has started several companies based on his research in the last few years.

In 2018, he was joined by Mr. Lowell Lo and others to launch BioMed Technology Holdings Co., Ltd. As an academic, what has Prof. Tsui learned about communication with the business sector? As Christians, what is the challenge in integrity when working with companies to design and produce products.

Prof. Tsui and Mr. Lo will be joined by Mr. Andy Tan and Dr. Michael Wu, two seasoned entrepreneurs from diverse backgrounds, to discuss the temptations of being in business and how to grow through the challenges.
